McCREARY'S GALLANTRY

Battle Resulted In His Be-
ing Elected Colonel By
His Comrades.

Col. James B. McCreary, was one of the most gallant of Gen. Morgan's officers at the desperately fought little battle of Green River Stockade where he made fame, on the 4th day of July 1863, when one brigade of Morgan's men was engaged for perhaps two and a half or three hours in a futile attempt to dislodge Col. Moore and his Michigan troops from this stronghold. I believe it was there that McCreary was unanimously chosen colonel by his men. Col. Chenault and one lieutenant col. with perhaps sixty or seventy others were killed, in apparently the twinkling of an eye. The fortress or stockade was made of heavy timbers and was surrounded by a ditch ten feet deep. The artillery could not be brought to bear on account of the dense timber and bugle sounded the charge and perhaps sixty-five or seventy of the chivalry of Kentucky went down as a result of that desperate little battle.

Another man of distinction and a fine soldier, participated in the same charge, he is now Judge H. H. Lorton of the supreme bench. Also his younger brother, Charlie, who later gave his life for the cause of the south. Every ex-confederate soldier, especially of Morgan's command, throughout Kentucky should feel it his duty to go to the polls when they open in November and cast his vote for the glorious and spotless McCreary.

MEMORIAL POSTS

For Cemetery Entrance Now
Being Put Into Place.

The improvements at the south side entrance to Riverside cemetery are rapidly nearing completion. The new pavements are almost finished and the big stone columns for the entrance are being put into place by contractor Lucian H. Davis. These immense pieces of Bowling Green Stone are handled with great difficulty, but are being slowly put in position to receive the iron fence gates. The main posts are to contain memorial tablets of bronze with the names of 50 or more Revolutionary soldiers buried in various parts of Christian county, this part of the work being paid for by the Col. John Green Chapter Daughters American Revolution. The entrance as a whole will be a very elaborate and elegant public improvement.

BRIDGE ACCEPTED.

Cost of New Floor Deducted,
The Purchase Price Being
Reduced \$715.

The city has adjusted with the Vincennes Bridge Co. the trouble over the North Main street bridge purchased about four years ago for \$3315. The concrete floor in the bridge proved to be too heavy and in adjusting this trouble the bridge company agreed to discount the price \$315 and put in a second floor, lighter and of reinforced concrete. This was done in 1909 but when the 20-ton street roller was passed over the bridge as a test the new floor was cracked in places and the city refused to accept it, retaining \$1000 of the purchase money to make good the defects. The holes were covered with plank and the bridge has remained in that condition for two years. By the terms of the settlement made Saturday the city is allowed \$400 to put in a new floor and the bridge is to be accepted and the balance of \$600 paid. The bridge itself is satisfactory, the trouble having been with the floor. The bridge company maintained that the test was made before the concrete was thoroughly dry. The holes in the floor will be repaired and it there is any further trouble a new floor will be laid. The iron work will also be given a new coat of paint.

Spellbound Auditors.

Louisville, Ky., Oct. 23.—"If a country treats its women right and eats more sugar per head and consumes more soap per head than any other country, then it is the greatest nation," declared Dr. Harvey W. Wiley, chief of the government's chemistry bureau, in his address Sunday afternoon to the National-American Woman Suffrage convention.

Dr. Wiley, Miss Mary Johnston of Richmond, Va., Miss Sophronisa Breckenridge of the University of Chicago and Mrs. Caroline Bartlett Crane of Kalamazoo, Mich., were speakers at the open meeting here at a local theater and attended by over 2,000 men, as well as women. Numbers of the city's leading professional men had seats on the platform. Last night the officers of the association held a reception for the delegates.

CADIZ STOCK SHOW

Was a Pronounced Success in
Every Way.

The stock show in Cadiz last week was a big success in every way and partook largely of the nature of a horse show, street fair and country fair combined. The show was free to all and was held in Main street in front of the courthouse, the street being roped in for the purpose one square each way. The people occupied the court square and the stores and sidewalks. The crowd on the last day was estimated at 7,000. Many prizes were given and a baby show for both sexes was a feature that packed the courthouse to suffocation.

A cake show was another interesting feature, Mrs. Will Kimmons, of this city, and Mr. A. M. Henry, of Newstead, being two of the judges. Two Hopkinsville automobiles happened to be on hand and these were given the honor of making a display in one of the rings.

CARNIVAL CLOSES

Most Successful Week—Three
Prizes Awarded.

The carnival, held under the auspices of the uniform rank K. of P. last week, came to a close Saturday night, after a most successful run. In the contest for Queen of the carnival awards were made, as follows: Miss Dalma Woodridge, Diamond Ring.

Miss Essie Cravens, Gold Watch.
Miss Nora Higgins, Gold Bracelet.
The Krause Company had an aggregation of attractions far above the average and all the shows were well patronized.

PLANNING FOR AIRSHIP

Movement Started to Pull Off
a Big Aviation Meet Next
Month.

HOME-COMING FOR PROWSE

Correspondence Also Being Held
With Ward, the Noted
Aviator.

Judge C. O. Prowse has announced that he is ready to come to Hopkinsville next month, upon some date to be agreed upon and to give a series of exhibitions with his own aeroplane, which has been perfected at St. Louis. Judge Prowse has himself made frequent flights, but if he comes he will be accompanied by an expert aviator. A letter has also been received here from Jimmy Ward, one of the noted professional aviators of the country, who wants to make a date for Hopkinsville. One or two meetings have been held and plans have been formed to have the meet Nov. 23 and 24. Ward holds the attitude record. Hopkinsville is determined to keep up with any procession.

ALL ALIKE

High School Boys Prove Them-
selves Invincible Once
More.

Saturday afternoon at Princeton the Hopkinsville High School football team added another scalp to her belt by the score of 35 to 0.

Although weakened by the absence of Armstrong and Twyman from the squad, the result was never in doubt, the Hopknott lads displaying superiority in every department of play. In line plunging, end running, kicking, receiving punts, interference, breaking up interference—in fact in all that constitutes the modern game the Hopkinsville contingent seemed to be on edge. Touchdowns were made as follows: Weeks one, Rives one, Gary one, Roberts one and Abbott two. In addition to these Robertson dropped back and lifted the pigskin over the uprights for three more points, the first drop kick made by the High School in several seasons.

The work of the team was both good and bad, good individually but at times sadly off color in team work. Green at quarter ran his team like a veteran. Abbott, Rives and Higgins plunged the line and ran the ends almost at will, but the interference was very ragged at times. In the line the work of Walker and Lander was especially good, particularly in breaking up the plays of the opposition before they got started. Roberts made some excellent gains and was good on defense. All played well individually, but they sadly need to play together more systematically. This of course will come with more work, which Coach Powell is not niggardly about handing out to them.

Friday afternoon at 3:15 the Winthrop team of Nashville, champion of the five prep schools of that city, will invade our city for a game and while the advantage is all with the enemy, the game should be an excellent one. Everybody come out to Mercer Park Friday at 3:15. Admission 25c.
